BAY HEAD SENDS BARNEGAT FLEET

Fastest Boats to Participate In Seaside Park Club's July 4 Regatta.

BAY HEAD, July 2.—A fleet of the fastest boats from the Bay Head Yacht club will tomorrow sail from here to Seaside Park in the lower Barnegat bay in order to be in readiness for the big regatta that will take place over the Seaside Park Yacht club's course on Independence Day. Commodore John V. A. Cattus, of New York, will lead the long string of boats from here and his daughter, Miss Lulu Cattus, the acknowledged wonder of Barnegat bay, will go along and compete in the big event for women. The Seaside Park Yacht club trophy matches for both men and women are to take place on Friday and there will be a series of races of lesser importance. Joseph Brakely and Captain Foreman Bailey both hope to win the men's event in the new boats which have been put in the water for the first this week. A schedule of 32 races remains to be run off during the season. Many of them are to be sailed on the courses of nearby clubs.

The majority of the Bay Head boats will remain in the southern bay waters until the following day when similar races will take place at the Island Heights Yacht club. On Saturday afternoon the one design boats will race for the Bristol trophy over the home course.

A schedule of 32 races remains to be run off. Besides those mentioned the following order will be followed:

Saturday, July 12.—Such Trophy Race, Mantoliking course, for women; Peters Trophy, Mantoloking course, for men; Gherardi Trophy, Mantoloking course, for men;

Saturday, July 19.—Philadelphia Inquirer, Cedar Creek course, for men;

Saturday, July 26.—Commodore's Trophy, Bay Head course, for women; Tichenor trophy race, Bay Head, for men; L. O. Brewster trophy, Bay Head course, for men.

Saturay, August 9.—Brakeley Trophy Race, Bay Head course, for women; Thompson Trophy Race, Bay Head course, for men; The Commodore's Trophy, Bay Head course, for men; Baker Trophy, Bay Head course, for women.

Saturday, August 16.—Such Trophy Bay Head course, women; Meeker Trophy match, Mantoloking course, for men; J. N. S. Brewster Trophy race, Bay Head course, for men.

Saturday, August 23.—Vice-Commodore's Cup race, Bay Head course, for women; The Mayor's Trophy, Mantoloking course, for men.

Saturday, August 30.—Island Heights Yacht Club Trophy, Island Heights course, for women. A simular race for men. Aymar Trophy Race, Mantoloking course, for men.

Monday, September, 1.—W. C. Butler Trophy, Bay Head course, one man crews; Bay Head Yacht Club Trophy, Mantoloking course, for men; Presby Trophy race, Bay Head course, for men; Nimmick Trophy race, Bay Head course, for women.

Saturday, September 6.—J. N. S. Brewster Trophy, Long distance course, one man crews; H. F. Newsen, long distance course, for men.

Saturday, September 13.—Fenn Trophy race, Bay Head course, women; Heyl Trophy race, Bay Head course, for men.

William G. Ver Planck, of New York, and Orton Dale, of Plainfield, the regatta committee, have arranged in addition to the foregoing schedule a complete set of events for the younger members of the club, including races for children over 16 years of age and under that mark. Each winner will receive a prize.

The club championship will will be awarded to the boat winning the greatest number of points in the season's regattas. One championship is open for sneakboxes and one for boats of one design.

FIVE CLUBS JOIN FOR RED BANK'S REGATTA

RED BANK, July 2.—The second annual regatta to be held on the North Shrewsbury river under the join auspices of the Red Bank Motorboat club, the Monmouth club, the Red Bank Independent Ice Yacht club, the Players' Boat club and the Pavonia club will take place Friday and Saturday.

The following race program has been arranged: Class A, cabin boats, any length, ten nautical miles, handicap; Class B, open boats, any length, ten miles handicap; Class C, racers (displacement speed boats), twenty-six feet and under, sixteen miles, handicap; Class D, racers (displacement speed boats) over twenty-six feet, sixteen miles, handicap; Class E, hydroplanes, any length, maximum piston displacement, four-cycle, 580 cubic inches; two-cycle, 435 cubic inches, twenty miles,scratch; Class F, free-for-all, any type, forty feet over all, twenty miles, handicap; Class G, Saturday only, mile trial against time, straight away.

Prizes will consist of gold-lined silver cups. A first prize will be awarded in each class in which four or more boats start.
