HISTORY

For many years prior to the inception of the Barnegat Bay Yacht Racing Association, yacht racing was the popular sport on the Bay. Commodore Herman Muller of the Seaside Park Yacht Club invited members of local yacht clubs to meet with him on February 11, 1914 to discuss the advisability of forming an association to foster and unify yacht racing on Barnegat Bay. Four clubs were represented at this meeting, Bay Head, Island Heights, Ocean Gate and Seaside Park. After agreement as to the name and purpose of the Association, Commodore J.V.A. Cattus of the Bay Head Yacht Club was unanimously elected Chairman and to serve with him, Commodore E. A. Lloyd, Jr., as Vice Chairman, Commodore Herman Muller, Secretary and Mr. M.R.H. Crowell, Treasurer. The first regular meeting was held March 11, 1914 at the Bellevue-Stratford Hotel, Philadelphia, Pennsylvania, at which time the original Bylaws were adopted and a racing schedule formulated, the first race being held at the Seaside Park Yacht Club on July 4 of that year. At this first meeting, the Association was enlarged by the election of the Mantoloking Yacht Club into its membership.

The first season's championships awarded by this new organization was in 1914. The first annual meeting was held on October 21 of that year and by this time, membership had grown to six Clubs by the addition of the Lavallette Yacht Club and an official Regatta Committee was appointed then known as "The Racing Commission." In 1922, the Toms River Yacht Club was elected to membership. The following Clubs were subsequently elected to Membership: Shore Acres Yacht Club (1941), Beachwood Yacht Club (1946), Metedeconk River Yacht Club (1946), Normandy Beach Yacht Club (1947), Manasquan River Yacht Club (1962), and Pine Beach Yacht Club (1979).

The development of this Association has been gradual but sound, and each and every group of officers have contributed their time and energy to bring about an institution that should continue to prosper as long as the tide ebbs and flows on Barnegat Bay.

RACING RULES OF THE BARNEGAT BAY YACHT RACING ASSOCIATION

A. GENERAL INSTRUCTIONS

1. All races held under the jurisdiction of the Association shall be sailed under the rules of the IYRU, the prescriptions of the US SAILING, the Sailing Instructions and these Rules. In as much as no Rules can be devised to cover every situation, it shall be the duty of the Regatta Committee to decide all questions which may arise. In deciding such questions the Regatta Committee shall not act before satisfying itself that its action is as equitable as possible to all boats concerned.
2. All races held under the jurisdiction of the Association shall be conducted by a Race Committee appointed by the Regatta Committee of the Association and chaired by the Vice Commodore.
3. Each year Regatta Committee shall adopt Sailing instructions which shall be provided to all entrants. The Regatta Committee should also cause appropriate race information not contained in these Rules and required by IYRR II Part 2, "Notice of Race," to be published in the Annual Regatta Schedule. (See *Championship Regattas in this Handbook*)

B. ELIGIBILITY

1. A boat entered for a race must be a bona fide property of a recognized yacht club or of the person in whose name she is entered, who must be a member of a yacht club of the Barnegat Bay Yacht Racing Association except as provided in paragraph B.5. A person chartering a boat shall be deemed the owner provided said boat has been chartered in good faith for a period of not less than thirty days.
2. Any class qualifying three or more boats in the previous year's series will be eligible for competition. Additional classes may be considered upon written petition to the Regatta Committee by at least six skippers representing a minimum of three member clubs. Such petition shall include a commitment from each skipper stating his/her intention to qualify for the championship. Any new class accepted shall be considered "provisional" for a period of at least one year. Provisional classes are not eligible for championship or race awards. Those classes eligible for competition each year shall be designated by the Regatta Committee and published in the Annual Regatta Schedule.
3. In junior classes with an age limit, a contestant will be considered eligible when his age limit birthday will not have been reached on the last day of the calendar year.
4. Except as provided in paragraph B.5, skippers/Helmsmen are required to be members of the BBYRA, a member Club of said Association, and their respective class organizations. Member Clubs are expected to furnish the Regatta Committee with a membership list and a list of BBYRA contributing members prior to June 15th of each year.
5. A sailing instructor actively employed by a BBYRA member club may be permitted to enter and/or skipper a boat which is the bona fide property of a recognized yacht club or of a person in whose name she is entered provided he/she is a member of

US Sailing and his/her respective class organization, pays a guest entry fee and the usual entry fees for the class in which he/she is entered. Entry will be at the discretion of the Regatta Committee and shall be denied if not in the best interests of the Association.

C. ENTRIES

1. A member of the Regatta Committee shall supervise the receipt of entries and fees in all classes.
2. Entries shall be made as required by the Regatta Committee.
3. An entry fee will be charged for the season or each race of the championship series for all classes at rates established by the BBYRA. "Entry Fees are Non-refundable."

D. RACING TRIM

1. All one-design and restricted classes must file with the Association Measurer a copy of their class rules and regulations which shall include restrictions, measurements and designations pertaining to the hull, mast, rigging, sails, and crew limitations as to weight and number, not later than two weeks prior to the date of the first championship regatta. These will remain frozen through the current Regatta season. No boat will be entitled to start in any race unless the boat meets the above mentioned requirements and conforms to the racing rules and regulations of the Association.
2. A record of class restrictions and designations including sails, crew limitations, equipment, etc., will be maintained by the Association Measurer.
3. All boats must carry safety equipment as specified by their class, as may be required by the USCG and as set forth in Appendix 1. Deviations for any class may be granted by the Regatta Committee.

E. SCORING

GENERAL CONDITIONS

1. Each season the Association will award the championship to the boat in each class making the best score according to the method outlined below. The BBYRA may act to suspend the awards of a class's season championship series if the final outcome of its series is dependent on the outcome of an appeal.
2. Only those races designated for points in the championship series will be considered in computing the record of each boat. No new class shall be added to the race program for championship purposes after the issuance of the Annual Regatta Schedule.
3. In order to qualify for the championship a boat must be classified as a starter in all but three races of those started for her class except as indicated in the Annual Regatta Schedule.

When scored in accordance with 6.a), highest score wins; with 6.b) lowest score wins.
11. A boat which ranks as a starter in more than the minimum number of races required to qualify shall have that race most detrimental to her record excluded.

TIES

12. a) Modifying RRS A1.4 a), if two or more boats tie for first place in a race involving a trophy, the Regatta Committee may order a resail if possible, otherwise the trophy will be awarded to each boat to be held an equal length of time.
b) Modifying RRS A1.4 b) and A2.3, in the event that two or more boats tie in the final championship standings, the boat that has finished ahead of the other the greatest number of times in the championship shall be considered the winner. If this does not break the tie, RRS A2.3 will apply.

14. A suitable Point Accumulation Sheet will be maintained by the scorer showing in detail the record of each boat's activity for the current racing season.
